

Michigan

UP Health System is a leading healthcare provider serving patients, clinicians, communities and partner organizations in Michigan's Upper Peninsula. Our mission is Making Communities Healthier®, and our growing diversified healthcare delivery system is focused on enhancing quality care, increasing access and lowering costs for patients.

We recognize the crucial role a thriving healthcare system plays in supporting the economic health and development of a community. We also recognize that our employees are at the heart of our mission and are committed to ensuring a safe, inclusive working environment where they can grow professionally and personally.

Each LifePoint facility produces an annual Community Benefit Report, showing the broad scope of its contributions to the communities it serves. Below is a summary of the collective impact of our hospitals in the Upper Peninsula.

In 2021, we...

...added 43 employed and affiliated providers

...made more than \$6.9 million in capital improvements

About UP Health System

OUR MISSION
Making
Communities
Healthier

OUR VISION

We want to create places where:

- People choose to come for health care
- Physicians and providers want to practice
- Employees want to work

**OUR HIGH FIVE
GUIDING PRINCIPLES**

- Delivering high-quality patient care
- Supporting physicians
- Creating excellent workplaces for our employees
- Taking a leadership role in our communities
- Ensuring fiscal responsibility

UP Health System provides comprehensive health care for the Upper Peninsula of Michigan through its three hospitals – UP Health System–Bell and UP Health System–Portage, both part of LifePoint Health, and our flagship facility, UP Health System–Marquette, part of Duke LifePoint Healthcare – as well as a number of primary and specialty care clinics throughout the region.

Our 2,600 employees are committed to providing high-quality, compassionate care for residents of the UP, utilizing the latest technology in imaging, orthopedics, cancer care, heart care and more.

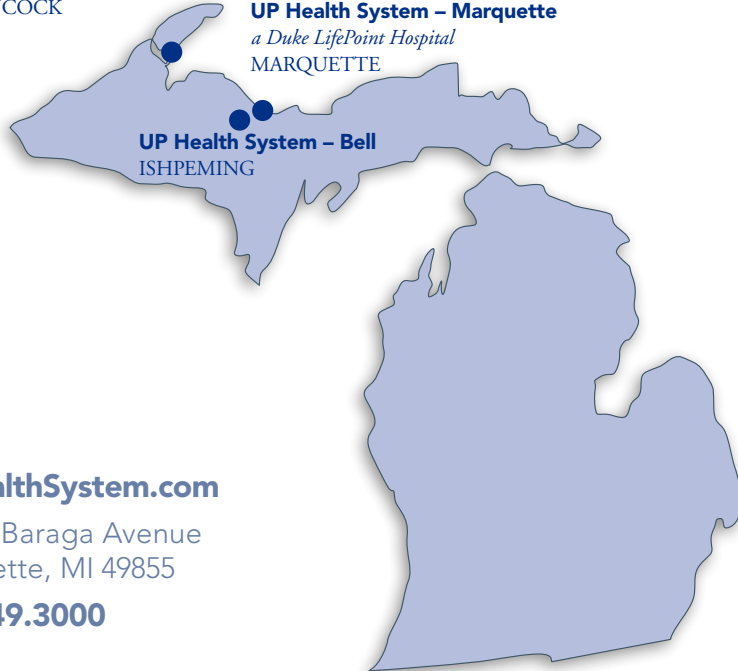

Our commitment to the well-being of our neighbors extends beyond our hospital walls as well, through outreach programs like annual health and safety fairs, community runs and walks, family health screenings and dedicated support to numerous local charitable organizations.

We recognize the crucial role a thriving health care system plays in supporting the economic health and development of a community, and we are proud to share our contributions through this report.

MAKING COMMUNITIES HEALTHIER

Charity care and other uncompensated care includes charity care, uninsured discounts and uncompensated care. Physician recruitment costs include recruitment costs and support of new physicians' initial practice establishment in the community. Payroll includes consolidated salaries, wages, benefits and contract labor costs. Capital investments include facility expansions/renovations, equipment purchases, technology replacement, information technology additions/updates and routine facility upkeep and maintenance. All references to "LifePoint," "LifePoint Health" or the "Company" used in this release refer to subsidiaries of LifePoint Health, Inc.

Duke LifePoint Healthcare, a joint venture of Duke University Health System, Inc. and LifePoint Health, was established to build a dynamic network of hospitals and health care providers. The joint venture, which brings together LifePoint's experience in community-based hospital management and Duke's world-renowned leadership in patient safety and clinical quality systems, is strengthening and improving health care delivery by providing community hospitals the clinical, quality and operational resources they need to grow and prosper.
