

# OUR 2023 COMMUNITY IMPACT IN Michigan

UP Health System is an accredited healthcare leader offering a vast array of services in 65 specialties and subspecialties. We are deeply invested in the overall well-being of our region, and we strive to create a culture where people choose to come for healthcare, physicians and providers want to practice, and employees want to work.

Our dedicated employees are the cornerstone of our organization, and their steadfast commitment to *making communities healthier*<sup>®</sup> has a positive impact on the patients and families we serve. We also support our communities by giving back and making investments that enhance and increase access to quality care.

Below is a summary of the collective impact of our hospitals in the Upper Peninsula in 2023.

In 2023, we had a total economic impact of more than **\$289.1 million.**

# About UP Health System

**OUR MISSION**  
Making communities healthier®

**OUR VISION**

We want to create places where:

- People choose to come for healthcare
- Physicians and providers want to practice
- Employees want to work

**OUR CORE VALUES**

- Champion patient care
- Do the right thing
- Embrace individuality
- Act with kindness
- Make a difference together

**UP Health System** provides comprehensive healthcare for the Upper Peninsula of Michigan through its three hospitals – UP Health System–Bell and UP Health System–Portage, both part of Lifepoint Health, and our flagship facility, UP Health System–Marquette, part of Duke LifePoint Healthcare – as well as a number of primary and specialty care clinics throughout the region.

Our 2,500 employees are committed to providing high-quality, compassionate care for residents of the UP, utilizing the latest technology in imaging, orthopedics, cancer care, heart care and more.

Our commitment to the well-being of our neighbors extends beyond our hospital walls as well, through outreach programs like annual health and safety fairs, community runs and walks, family health screenings and dedicated support to numerous local charitable organizations.

We recognize the crucial role a thriving healthcare system plays in supporting the economic health and development of a community, and we are proud to share our contributions through this report.

*Charity care and other uncompensated care includes charity care, uninsured discounts and uncompensated care. Physician recruitment costs include recruitment costs and support of new physicians' initial practice establishment in the community. Payroll includes consolidated salaries, wages, benefits and contract labor costs. Capital investments include facility expansions/renovations, equipment purchases, technology replacement, information technology additions/updates and routine facility upkeep and maintenance. All references to "Lifepoint," "Lifepoint Health," "Duke LifePoint Healthcare" or the "Company" used in this release refer to affiliates or subsidiaries of Lifepoint Health and Duke LifePoint Healthcare.*

*Duke LifePoint Healthcare, a joint venture of Duke University Health System, Inc. and Lifepoint Health®, was established to build a dynamic network of hospitals and healthcare providers. The joint venture, which brings together Lifepoint's experience in community-based hospital management and Duke's world-renowned leadership in patient safety and clinical quality systems, is strengthening and improving healthcare delivery by providing community hospitals the clinical, quality and operational resources they need to grow and prosper.
